Dr P. P. Claxton, U. S. Commissioner

Clothes That Live Up To Their Looks

You'll find many good clothes about town which "promise" as much service as ours—perhaps. We've settled on GRIFFON garments because we know them to perform more than most clothes promise.

Illiteracy is a National problem, and few States are free from it. States. Illiteracy is a National problem, and few States are free from it. Says Dr. Claxton;

"This problemation will have far level on the chief speakers. The Lexington Herbald on GRIFFON goods and have far level on the chief speakers. The Lexington Herbald on the chief speakers and the chief speakers. The Lexington Herbald on the chief speakers and the chief speakers are free from it. States are free have the all-wool, London-shrunk fabrics, the staunch hand-tailoring that makes their first good impression a lasting one

Tuberculosis Day Nov. 29.

A special from Washington says that President Wilson has expressed his approval of the Fifth National Tuberculomovement is not for the purpose of raising funds, but simply to bring to the attention of all the people of the country the essential facts concerning the treatment and prevention of tuberculosis.

Gov. Jas. B. McCreary, president of the Kentucky Tuberculosis Commission, and all of the commissioners, hope that the day may be widely observed in all of the churches and schools of the State, since the observance of the day is commended by leading ministers, educators and public men everywhere.
